- Development of joint courses or joint degree programs on topics with northern relevance at bachelor's, master's or PhD level
- Development of flexible education, especially online-based programs or courses
- Networking activities related to research activities conducted by the UArctic Thematic Networks. A full list of the Thematic Networks can be found on the UArctic [website](#).
- Education or research activities focusing on Indigenous issues.

## 11. Sustainability

UArctic's strong priority is the project's ability to find other/supplementary means for long-term sustainability.

- a. How will long-term sustainability of the project activities and results be secured?

--

- b. What actions will be taken to ensure long-term benefit from the investment?

--

- c. How will this project secure future funding (if relevant)?

--

## 12. Risks

List any foreseeable risks and what can be done to mitigate them:

- a. Internal risks (project implementation risks)

<a href="https://www.uarctic.org/activities/north2north/">https://www.uarctic.org/activities/north2north/</a>
---

- b. External risks

--

## 13. Time frame – Activity calendar

Main activities:	Starting month/ year	Ending month/ year

**14. Budget (A detailed and realistic budget reflecting the project activities is mandatory and to be attached separately)**

**Financing plan**

Total budget expenses	<b>NOK</b>
Consumables related to research work	
Salary-related expenses	
Costs for online conference platforms and tools	
Per diem and travel expenses	
Other (if relevant, please specify)	
<b>Financing:</b>	
Lead institution	
Partner(s)	
Other sources* (please give the names of sources)	
Applicant and partner contribution ( should be at least 25% in-kind)	
<b>Total amount applied for the UArctic funding scheme</b>	

\*for instance, expected North2North-mobility: <https://www.uarctic.org/activities/north2north/>

**15. Are you applying for other funding resources?**

a. Name the other funding schemes for this project

b. The title of the proposal, responsible applicant and amount applied for

**16. Relations to previous and/or ongoing projects**

Is this project application a continuation of or a supporting project to any other activity that has already received or is presently receiving funding from UArctic?

a. Yes  No

b. Name of project

c. Name of institution and project coordinator

d. When and where was the report submitted? Attach a copy if relevant.

e. Please explain how this project is related/linked to other projects that are not funded by UArctic.

## 17. Project plan

Please attach the project plan with the following items (maximum 5 pages):

1. The purpose and overall goal of the project
2. List and descriptions of the concrete deliverables
3. Description of the project activities (could be divided into work packages)
4. Description of how the project fits in with the [UArctic strategic plan](#) and how each of the six UArctic values are met. If some values (e.g. Indigenous representation) are not included, please explain the reason.
5. What are the planned project outputs (activity results), outcomes for the target group(s) and impacts on the target group(s) wider society, e.g. how will the outcomes benefit the circumpolar world?
6. Internal project evaluation and communication plan, including measuring impact of the activities and how the sustainability of the project will be ensured.

### **Applications must include:**

- **A filled-in application form**
- **A project plan in a separate document**
- **A detailed budget in a separate document - specify applied UArctic funding and funding from other sources separately**
- **The applying institution must provide an endorsement letter from the appropriate leadership level**
- **If project focuses on research, please attach also the main applicant's CV (max two pages) with a list of relevant publications**
